ORDER

1. As the allegations in these two complaints against couple of named Public Servants of a public sector undertaking are common in these two complaints; therefore, they are clubbed and taken up for consideration.

2. Following defects are pointed out by the Registry in its Scrutiny Reports; viz:

(i) Although the complainants have enclosed a 'line 'diagram' and few documents with their complaint, they have not provided any particulars/list of the documents relied upon by them. Therefore, it cannot be ascertained whether such documents have been enclosed.

(ii) A letter addressed to the Lokpal of India has not been enclosed.

3. Besides above, we note that, omnibus allegations are that the named Public Servants are re-routing 4-inches gas pipeline SK109 near XXXXXXXX (name redacted), Mahesana, Gujarat to benefit a builder facilitating the issuance of a No Objection Certificate by adopting corrupt means. The allegations apparently are bereft of material, information and document which are imperative before embarking on inquiry under the Act of 2013.

4. In view whereof, while affording an opportunity to rectify the defects pointed out by the Registry, the complainants are given liberty to file verifiable documents, material and information to bring home the allegations of corruption.

5. Let the needful be done within **FOUR WEEKS** of receiving the order, failing which the complaints shall stand disposed of finally without further reference to the Bench.
6. In case compliance is effected, the matters be **posted on 01.10.2024.**
