ORDER

Perused the complaint.

2. The complainant has made a complaint against the two public servants (named in the complaint), of Madhya Pradesh Electricity Board (MPEB), Katni, Madhya Pradesh. The complainant has, inter alia, made allegations that the above-mentioned public servants are not providing information, sought under RTI Act, 2005. Even if the public servant gives any reply to any RTI, it is either incomplete or wrong and misleading. The complainant also alleges that he has made the 1st Appeal to the Appellate Authority, but no appeal has been heard till-date and has also filed the 2nd Appeal before the State Information Commission.

3. On going through the records placed before us, it has been observed that there is no allegation of corruption against the public servants. Moreover, Lokpal of India is not the Appellate Authority for RTI matters. Further, it does not come under the purview of the Lokpal and Lokayuktas Act, 2013. Therefore, no further order needs to be passed.

4. Accordingly, the complaint is disposed of.
