**ORDER**

Perused the complaint.

2. This complaint has been made against railway employees, and the names of two such public servants have been mentioned, without any other relevant details. The allegations made pertain to alleged corruption in the railways since 1990. The complainant has also sought employment, award and pension for exposing the said 'corruption' in the Railways. However, no instances of corruption or any other relevant details have been attached.

3. The complainant had earlier filed two complaints (complaint No. 80/2021) and complaint No. 297/2022 that were disposed of by orders dated 30.11.2021 and 22.02.2022, respectively, of the Full Bench of the Lokpal of India.

4. The subject-matter of the present complaint is similar. General allegations have been made and no details of the alleged corruption have been given. The complaint is rather vague and incoherent and does not make any sense.

5. The complaint, therefore, does not satisfy the requirements of the Lokpal and Lokayuktas Act, 2013. The Lokpal of India, is, therefore, not inclined to pass any orders.

5. Accordingly, the complaint is dismissed.

  
COURT MASTER,  
LOKPAL OF INDIA.
