ORDER

Perused the complaint.

2. This complaint is directed against the Head of the Divisional Office of the Indian Oil Corporation Ltd., Varanasi Divisional Office, who has not been named in the complaint. The complainant states that he has filed the complaint in public interest.

3. The allegations levelled by the complainant are to the effect that double standards and dual criteria have been adopted by the said public servant while issuing the advertisement and LOI certificates for the Petrol Pump Dealer selection 2018. While a particular location (No. 3004) has been rejected for not fulfilling the eligibility criteria regarding frontage, two other locations (Nos. 3022 & 3122) have received LOI certificates despite not fulfilling

the required norms. The complainant has questioned why location No. 3004 should not receive an LOI certificate, when others who do not fulfil the norms have received them.

4. The complainant has not levelled any allegations of corruption in the present complaint. In the absence of any actionable material that could fall under the scope and ambit of the Lokpal and Lokayuktas Act, 2013, we are not inclined to pass any further orders in the complaint.

5. Accordingly, the complaint stands disposed of.
