**ORDER**

Perused the complaint.

2. This complaint is directed against three public servants namely, the Financial Commissioner, Delhi, the District Magistrate, North Delhi and the Additional District Magistrate, North Delhi. All are serving under the Government of Delhi.
3. The allegations levelled in the complaint are to the effect that the above named public servants have helped encroachers to stay put on government land that was meant for the Siraspur Hospital, instead of getting them evicted as per law.
4. The subject-matter of the complaint pertains to encroachments and the alleged "help" given by the public servants to the encroachers. It further appears from the complaint that some litigation has taken place regarding the said land before the

revenue authorities. The complainant has alleged that the encroachers have been aided due to some quid pro quo. However, no details have been given.

5. Having perused the material on record, it is clear that the complaint does not indicate any credible evidence of corruption, therefore, the Lokpal of India would not be inclined to interfere.

6. Accordingly, the complaint stands disposed of.
