ORDER

Perused the complaint.

2. This complaint is directed against the "Karyakaram Padadhikari". No other name, designation, or any other specification regarding the government department under which this public servant is serving has been given.

3. A perusal of the complaint indicates that, in fact, no cause of action for filing the complaint has been mentioned in the complaint, such as corruption, malpractice, irregularities etc. The only reason mentioned in the complaint appears to be that the complainant was desirous of getting work under the MNREGA scheme, but was not given any work. The complainant appears to be a resident of District Samastipur, Bihar, where probably work was sought.

4. The complaint is vague and devoid of details. It does not appear to be a case of corruption or malpractice, but of denial of a statutory right provided under the provisions for Mahatma Gandhi National Rural Employment Act, as work was probably not given to the complainant on demand.

5. The Full Bench of the Lokpal of India, having perused and considered the complaint, does not find any justification for interference. However, the complainant is at liberty to seek redressal from the appropriate authority for his grievance.

6. With the above observations, the complaint stands disposed of.

COURT MASTER,
LOKPAL OF INDIA.
