Perused the complaints.

2. As the complaints dated 30th August, 2021 and 16th September, 2021 sent through e-mail were not in the prescribed format as per Rules, the complainant was informed by email(s) dated 30th March, 2022 and 28th March, 2022 respectively to file his complaints as per the form prescribed under Rules. However, the complainant has not done this so far. In the interest of justice, these complaints are being considered and are being decided upon on merits.

3. As the above complaints are similar in nature, therefore, we are taking them up together and passing a Common Order.

4. The complainant has addressed these complaints to Bank of Baroda with a copy to the Lokpal of India. On perusal of the said complaints, it is revealed that a dispute has arisen between Bank of Baroda and the complainant. There is no allegation of corruption against the bank officers.

5. As the subject matter has also been dealt with earlier as complaint no. 2986/2022 and order thereupon has been passed on 18th May, 2022 by the Full Bench of Lokpal of India, no separate order is required to be passed in these matters. The order passed earlier is applicable to these cases also.

6. Accordingly, these complaints stand disposed of.
