Perused the complaint.

In the said complaint, he had alleged that the concerned public servant had misappropriated huge amounts out of the Central Government funds for Drinking Water Schemes. He had also alleged some irregularities in Sand in River Godavari.

3. In the same complainant, he had alleged some irregularities in respect of a non-profit organization in the United States of America (USA) which is collecting donations. He had alleged violations of the Foreign Contribution Regulation Act (FCRA) and sought action against the concerned.

4. In the complaint dated 26.11.2022, which has been filed in the prescribed format, the allegations relate only to the non-profit organization which is collecting donations in the USA.
5. We considered all the allegations made in both these letters. We find that the complainant has not furnished any documents or material evidence in support of allegations of corruption. He has only attached some downloaded printouts from the website of the Association of North America and some information that he has obtained from the Public Information Officer, Zilla Parishad, Kakinada.
6. In the absence of any evidence of corruption, we are not inclined to move forward in this case. Besides, there is nothing on record that Lokpal and Lokayuktas Act, 2013 has a mandate in this matter.
