**ORDER**

Perused the complaints.

Since the subject matter of both the complaints is same, they are being disposed of by this common order. The complaint has been made against a public servant designated as an Investigation Officer, Thana Shahbad Dairy, Outer District, Delhi Police. It has been alleged by the complainant that the public servant has committed an offence punishable under the Prevention of Corruption Act, 1988 and is not eligible to continue in his position under Section 49 of the said Act. The complainant has intimated that the public servant is the Investigating Officer in a criminal case which has been filed by the complainant. This case is pending before Rohini Mahila Court. It has been further alleged that the said public servant has stolen evidence, a bundle

Of bills, list of stridhan submitted by the complainant. It has been further alleged by the complainant that the public servant submitted a fake charge-sheet in Rohini Mahila Court on 16.09.2020.

We have gone through the contents of the complaint. It appears that the matter pertains to an issue which is already subject matter of judicial proceedings. If the complainant has some grievance against the Investigating Officer of Police in the case, he should have brought it to the notice of concerned court. We are not inclined to intervene in the matter. No order, therefore, needs to be passed in the matter. The complainant is at liberty to pursue his grievance with the appropriate authority/court.

Accordingly, the complaints stand disposed of.
