ORDER

Perused the complaint.

2. This complaint is not directed against any named public servant, but is against the "Director, Telangana State Information Commissioner". The complainant has also mentioned the Telangana State Legal Services Authority, in the complaint.

3. The context of the complaint is unclear. The complainant states that "The District-Legal Services Authority of Rangareddy District, Telangana State, have "unsolicited a communication to misrepresent a case held with them to wrongfully implicate the applicant". It is not possible to ascertain from the complaint what, exactly, the grievance of the complainant is regarding. From the annexures attached to the complaint, it appears that the

complainant had sought some information from the District Legal Services Authority, Rangareddy District, which was not available. It appears to be in relation to a case, but there is no specific mention thereof.

4. From a perusal of the entire material on record, it emerges that the grievance of the complainant, to the extent that it is discernible from the complaint, does not fall within the scope and ambit of the Lokpal and Lokayuktas Act, 2013. We, therefore, are not inclined to entertain this complaint.

5. Accordingly, the complaint stands disposed of.
